BRITCHAM WELCOME

Dear Guests,

On behalf of BritCham Shanghai, it is with great pleasure that I welcome you to our annual St. Andrew's Ball. By bringing Scottish traditions to the heart of Shanghai, we will all enjoy the best of Scotland's cuisine, festive music and vibrant Ceilidh dances.

We would like to take this opportunity to share a special thank you to our Gold Sponsor - BE Education for their generous support in making this event possible. We would also like to extend our thanks to our Entertainment Sponsor - Upskill, Wine Sponsor - Ray Fine Wines, Spirit Sponsor - Diageo, Beer Sponsor - Guinness, as well as many partners for providing us all with a dram or a few that will ensure everyone is up dancing long before the end of the night!

Tonight also welcomes back our old friend - Whisky Kiss, who will perform live music and lead the energetic Ceilidh dances.

We would also like to express our sincere gratitude to all our partners and prizes sponsors for their kind support in delivering this event.

I am delighted to announce that funds raised throughout the evening will be donated to our chosen non-profit organisation - Renewal. They offers homeless people a range of services on the road to a better life. Starting with urgent help and frontline support for men and women living on the streets, they also offers longer-term development to help people build relationships, find satisfying work and move into a permanent home. Since 2008, Renewal's base in Shanghai has been successfully training people for work in busy urban careers. Then, in 2023 Renewal's rural career hub opened in Yunnan province where your donations is used to support training people in agricultural careers - especially the cultivation, processing, packaging and sales of Renewal's tea.

It's about time that we now enjoy the best of Scottish hospitality! I wish you an exciting evening filled with nothing short of Scotland's most renowned tastes, music and dances!

SPECIAL EXHIBITION

THE DEEP “深海之境”

HUIHUI

Educator Artist Designer

Shanghai International College of Fashion and Innovation
Donghua University - University of Edinburgh Joint Institute

"THE DEEP" is a fibre art installation inspired by the exploration and awe of the ocean's mysterious depths. Handwoven entirely from recycled yarn, these installations reflect a commitment to co-creating with nature and exploring the significant impact of human actions on the marine environment. It also provokes deep contemplation about the intricate relationship between the ocean and human activities.

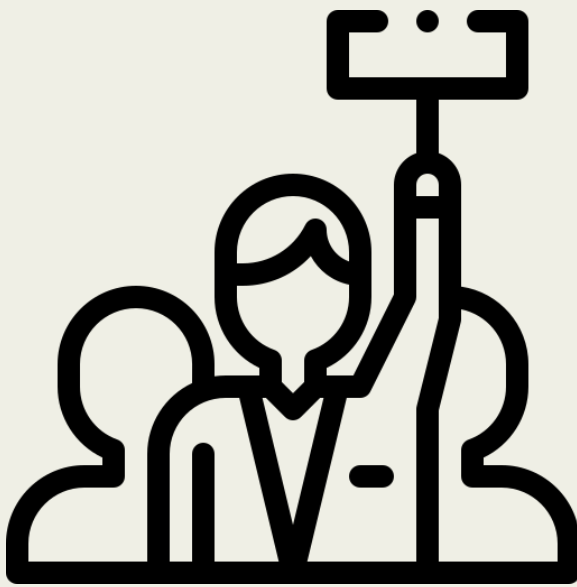

"THE DEEP " features sophisticated handwoven textures, layered forms, and the transcendent beauty of its materials, offering a striking visual experience. It embodies both the fascination and reverence for the enigmatic and shadowy depths of the ocean.

“深海之境”纤维艺术装置，灵感来源于对未知深海之境的探索与敬畏。创作视线始终徘徊在微观世界与浩渺宇宙之间，向上无限大，向下无限小。同时，对海洋与人类活动之间的复杂关系提出发人深省的思考。这些装置完全由回收纱线全手工编织制成。这个系列作品始终坚守与自然共创的思考路径，探讨人类活动对海洋的深刻影响。通过回收材料的艺术创作邀请观众参与可持续的未来、生态责任以及人类与自然相互依存与渗透的主题。“深海之境”错综复杂的手工编织纹理、分层形式和超凡脱俗的材料的美感，该装置提供了一个强有力的视觉表现，展示了对于未知的深海之境的幻想与敬畏。

Peony Embroidered Jacquard Coat 牡丹刺绣提花外套 (东方境×郭培系列)

Ms. Guo Pei is the first and only member of the French haute couture design union in Asia and China. This is a work by Ms. Guo, Pei that has great design inspiration and symbolism.

The graphic "four-leaf clover" originated from the ancient four-leaf pattern and was a common decoration on bronze mirrors during the Warring States period. The four-leaf pattern is sometimes referred to as the persimmon stem pattern. The persimmon stem pattern has four petals divided into four directions, indicating that it was popular during the Han Dynasty to represent the four directions.

The embroidered pattern of "peony" is a symbol of prosperity, beauty, and happiness.

郭培-法国高级定制服装协会第一位亚洲会员。这是郭培老师很有设计灵感寓意的一件作品。图文“四叶草”源于古老的四叶纹，是战国时期铜镜上常见的纹饰。四叶纹有时也被称做柿蒂纹，柿蒂纹四片叶花瓣分指四方，指出战汉时代流行用它标志四方。绣花纹样“牡丹”是繁荣昌盛、美好幸福的象征。

Gift voucher for 3 private kid's yoga classes - includes all materials and preparation, held at the location of your choice

YogaKids was founded by Marsha Wenig who developed the most robust and in-depth training program on yoga education for children in the world. The original program was the first of its kind and the first Kids Yoga Certification Program. Marsha was influenced by educational theorists such as Howard Gardner and Maria Montessori to create an education-based program. The original YogaKids program was designed not to only be a kids yoga class but to be a fun and educational experience for children with every learning style. The original program integrates music, art, science, literacy, and so much more and most importantly makes yoga accessible to all children.

YogaKids is now led by highly trained and experienced trainers, teachers, experts, and professionals who aim to make yoga accessible to everyone at every age and stage of life - from infancy to grandparents.
